## FOREWORD

"All the world's a stage, and all the men and women merely players." May the symbolism of the far-reaching waves of the radio and the experience recorded herein inspire you, as you go forth into the greater broadcasting system, the network of the world. Prepare your script diligently. Guard carefully your words that they may be full of truth and wisdom, for the sound waves will carry them far, and many may be influenced by them. Approach the microphone with confidence and courage. Speak your lines boldly, glad to give to the world the best that you have.

With this thought, we, the HURRICANE staff of 1948, present this annual.

## WE HONOR

Because of his sincere interest in the students and welfare of our school, his encouragements of our many activities and his broad vision and clear thinking as an educator, we, the HURRICANE staff, wish to dedicate this annual to MR. W. J. DELONG, Principal of Marion High School.

# LAST WILL AND TESTAMENT

We, the Senior Class of 1948, having been solemnly declared to be in sound mind, with above average mentality, do establish and ordain this to be our last will and testament, and having given due concern to the vital place of honor we hold in the school, we hereby enumerate our bequeathed possessions.

## ARTICLE I

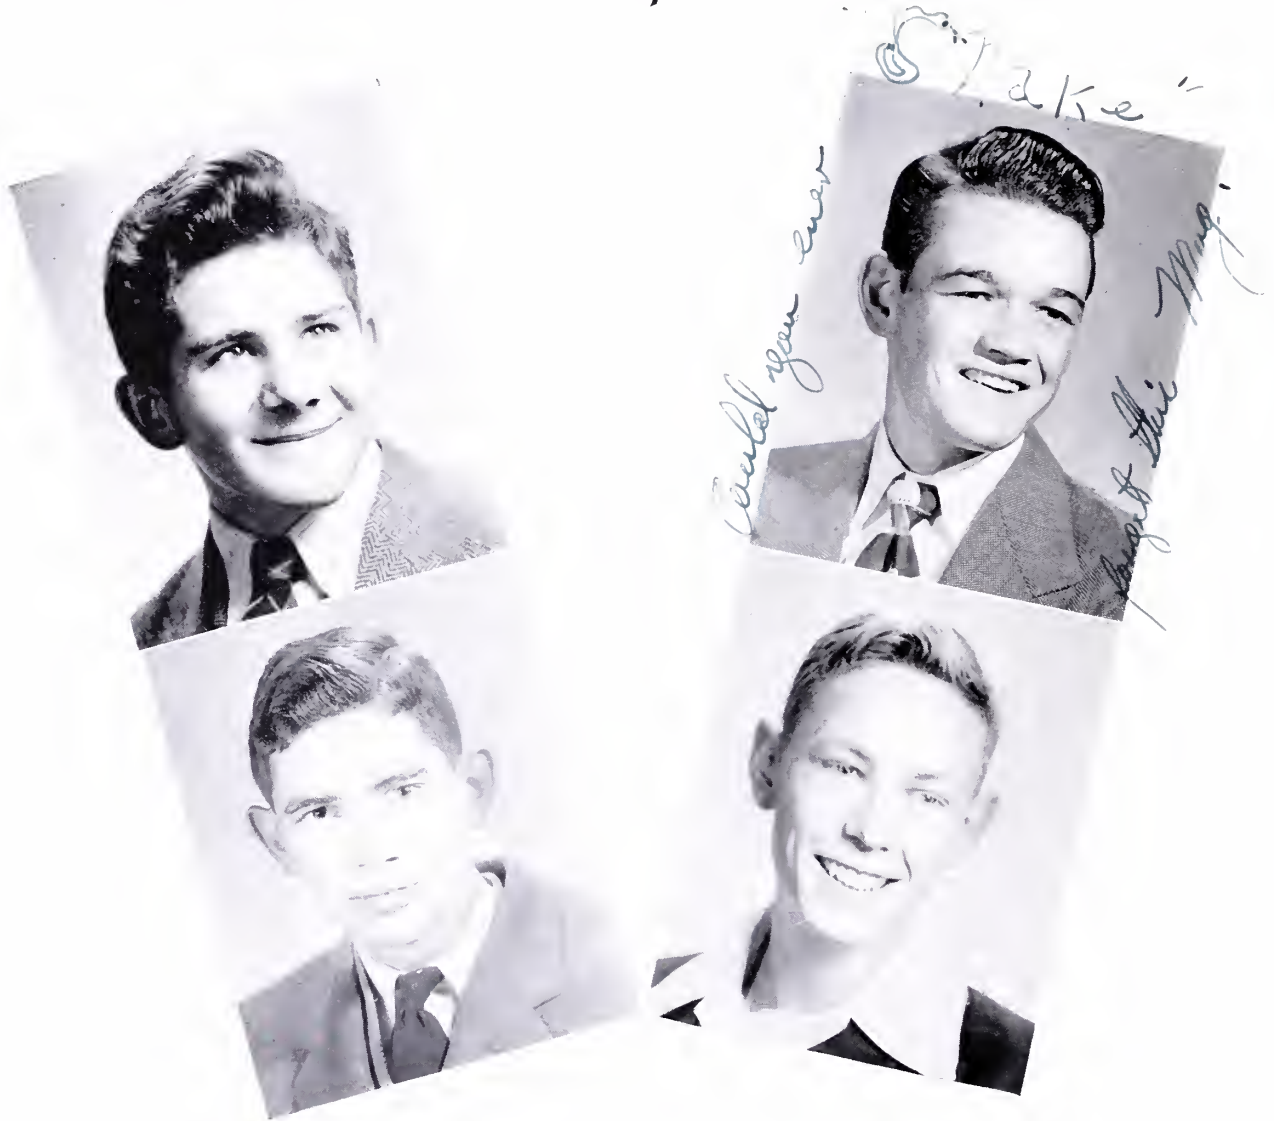

1. In order that little Bill Anderson may wink at the girls, Johnny Glenn tearfully bequeaths his big, brown eyes.
2. To whoever becomes president of the student body, Garnet Barton wills his leadership ability.
3. Ben Scott groaningly leaves his Frank Sinatra imitations to John Dickinson.
4. Betty Crewey wills her undying vigor to Peggy Goodman.
5. Deane Parrish leaves his ability to annoy Mr. McDonald in government class to Jimmy Blackwell.
6. Joe Hash and Juanita Bush will their athletic ability to Jack McGlothlin and Eliza Hubble.
7. Martha Wolfe leaves her scholastic achievements to Eleanor Kirk.
8. Jack Hopkins and Betty Andrews leave their affection for each other to Frances Halsey and Johnny Crewey.
9. Lois Dunford wills her red hair to Herbert Haulsee.
10. To Margaret Mitchell, Margaret Groseclose leaves her freckles and vanishing cream.
11. To Mary Ann Taylor, "Buckles" Funk leaves her paints and crayons, so that she may keep the school posted next year.
12. Believing that Mr. Wilkinson needs more coaching ability, Paul Painter gladly wills him his exuberant and superfluous knowledge of sports and Duke.
13. Betsy Anderson leaves her wiles on the shelf until next Leap Year.

## ARTICLE II

1. We, as Seniors, grant to the oncoming Seniors, the privilege to shine and polish their Senior rings as often as they like when those symbols of dignity arrive.
  2. To the oncoming Junior, Sophomore and Freshmen students, we wish to instill in them the desire to promote in Marion High School greater curricular and extra-curricular achievements than ever before.
  3. To the faculty, we express unlimited appreciation and gratitude, for their patient guidance and concern in our many problems.
  4. To all interested boosters, we leave the new bleachers with the sincere wish that no one will fall and break his neck.
  5. To all whom it may concern, including the football squad, visitors, and school supporters, we heartily wish that next Homecoming Day will be as bright and clear (but not so windy) as it was this year.
  6. Lastly, after five years crammed with excitement and fun, along with some disappointments, we come to the end of our high school days, leaving NOTHING, but taking with us countless memories of unsurpassed school spirit and devotion to our Alma Mater, which has guarded us during the happiest days of our lives.
- Given under our hand and seal, this Groundhog Day of February, Nineteen Hundred Forty-eight, by the:

# THE ADVISORY COUNCIL

The Advisory Council is a student government created to lighten the heavy load placed on the faculty. The council acts as a representative of the student body and tries to promote better school spirit in the classroom and on the athletic field. The council consists of S.C.A. officers, club presidents, and homeroom representatives elected by the students themselves.

# THE BETA CLUB

"Buy your Christmas cards from the Beta Club!" "Get your tickets for the talent show!" "How many Christmas (or Easter) seals do you want?" By these tokens have Beta Club members made themselves known this year—as well as by the accumulation of A's on their report cards.

Made up of twenty-nine Juniors and Seniors, the local chapter of the National High School Society is a service club whose projects include contributing to Chinese and European relief, supporting school and community activities, encouraging good scholarship, and otherwise promoting the ideals of "Character, Achievement and Leadership" on which the organization is based.

# "THE HURRICANE"

"Where's that picture?" "Do you have that write-up?" "Let's go see that photographer again!" "That word is misspelled!" These words and many others sound familiar to any annual staff member, and although they are usually shouted back and forth during hours of work, they bring back pleasant thoughts in future days. Truthfully, we've thoroughly enjoyed compiling this book, and if it accomplishes the aim we hope it will, then each M.H.S. student will find in it a source of pleasure in later years.

# THE DRAMATICS CLUB

The Dramatics Club — actors, actresses, producers, and playwrights of Marion High — have just completed their most successful year. This club has succeeded in creating an active and intelligent interest in dramatic arts among the student body of Marion High. It has helped its members to develop the character traits of patience, good nature, sportsmanship, and a keener appreciation of art and humanity.

# THE TORCH-Y CLUB

The activities of the Torch-Y began this year by the initiation of 33 new members making the total membership 46. A Halloween party was given in the school cafeteria. Friends and faculty were invited. The club entered a float, "Sic Semper Saltville", in the Homecoming parade. Caroling to the shut-ins of the community was a Christmas project. Three members attended the Hi-Y Conference in Pulaski.

A series of programs, "What We Want Out of Life" as the general theme, are being conducted at the regular meetings. The club is planning to sponsor a movie at the school. Proceeds will be used for a gift to the school and a spring entertainment for the club.

# Future Homemakers Of America

It was fun!! Yes, some interesting events spiced through the year kept us moving happily . . . . (The float in the Homecoming Parade with Okey Lee Hash "kneading dough of Saltville" in her chef's costume and the "Puritan Mother and Daughter" skit in chapel in commemoration of Thanksgiving) . . . . Our installation of members given for the student body, with the girls dressed in red and white, red roses and red candles on a white table (with our motto and emblem in the background) — it made an impressive picture!!!! Then there were Federation Council meetings to which our officers went and the Federation Spring Rally — for all members!! Our Valentine Dance!! The Snack Bar!! Our trip to camp!! Christmas seals we sold!! (The time we all went to see the "Labor Saving Devices in a Trailer Display" . . . The movie about Safety in the home . . . The demonstration on wrapping Christmas packages . . . and many others) . . . Yes, in 1947-48, we wore our pins proudly, signifying that we were members of the Future Homemakers of America.

# Future Farmers Of America

The Marion Chapter of the Future Farmers of America was organized in September, 1947, with forty-one charter members.

The Future Farmers of America, or "F.F.A." as it is commonly known, is the national organization of, by, and for boys studying vocational agriculture in public secondary schools under the provisions of the National Vocational Education Acts.

As an integral part of the program of vocational education in agriculture in the public school system of America, the "F.F.A." has become well known in recent years. No national student organization enjoys greater freedom of self-government under adult counsel and guidance, than the F.F.A. organized in November, 1928, it has served to motivate and vitalize, the systematic instruction offered to students of vocational agriculture, and to provide further training in farmer-citizenship.

The foundation upon which the F.F.A. organization is built, includes leadership and character development, sportsmanship, cooperation, service, and thrift, scholarship, improved agriculture, organized recreation, citizenship and patriotism.

# FOOTBALL FLASHES OF "47"

Sept. 13—The Scarlet Hurricane got off to a slow start with just a 14-0 win over the Golden Hurricane that blew over from Grundy.

Sept. 20—Away we blew to rack up a 7-6 win over a fighting Graham eleven. Crewcy's toe proved the winning margin.

Sept. 26—Marion's "first-play-of-the-game" touchdown, set off by Emie Hutton's 52-yard gallop, gave Wytheville the biggest surprise of the season. Wytheville finally pulled out and downed the "Big Reds" 28-12.

Oct. 4—It really was a blue Saturday when Richlands invaded Marion and handed the Hurricane its first district defeat, 14-6.

Oct. 11—Keyed and ready for a tough battle, the Scarlet Hurricane mixed a dazzling passing attack with hard running to score in every quarter and hand the Bearcats of Bristol a 28-12 licking.

Oct. 18—Although outweighed twenty-two pounds per man, the Hurricane put up a brave fight against William Fleming. Tangling with the Colonel's

charging line, our boys held back many attacks, but finally went down fighting by a score of 14-0.

Oct. 24—In a sea of mud, the Hurricane took the Steers by the horns and gave them a thorough lashing. With touchdowns coming from all types of plays, the final count was 61-0, the largest score made in the county this year.

Oct. 31—On this Hallowe'en, the Marion eleven journeyed to Abingdon to take on William King. After repeated marches up the field, only to lose the ball in the shadow of the goal, our boys finally took the pigskin over for a touchdown. King came back fighting, and tied the score 6-6.

Nov. 8—Homecoming game! With tense anticipation, the Marion squad took to the gridiron to scuttle undefeated Saltville with a barrage of 50-0.

Nov. 14—Almost as an aftermath, the Scarlet Hurricane proceeded to a 46-0 victory over the Chillhowie eleven.

# THE JUNIOR CLASS PLAY

The M. H. S. Juniors stole the show, literally and figuratively, from N. B. C. on the night of December 5, 1947, when they presented their play, "A Date With Judy", based on the radio program by the same name.

Playing to a full house, the Juniors really did themselves proud as they enacted the trials, joys, and sorrows of the Foster family and their friends.

HONORS to the cast who showed good stage presence and an understanding of their roles!!!

CHEERS to the splendid stage crew whose hard work and dependability made the production possible!!!

AND BOUQUETS to Miss Margaret Ambrister and Miss Pauline Anderson for good direction!!!

# THE MARCH of TIME

It all began on September 5th, as we all remember. Of course, everything had been well planned by our faculty and our year's work soon began.

Then on September 13th came the first big attraction of the year — a football game. The "Big Reds" won over Grundy, 14-0, more than doubling the score of '46, only in our favor this time.

On November 7th and 8th, came the long awaited event and the busiest time of the year at M. H. S. — another never-to-be-forgotten Homecoming. On Friday night we had a bonfire and pep rally on our football field and following that, an amateur show in our school auditorium. Our lively cheerleaders then led a snake dance up the old Rialto for more yelling on the courthouse steps. (Since we could only whisper, then). Early on Saturday morning everyone was up and ready for more work and fun.

Remember the "scrumptious" parade we had, with lovely and comical floats? And then remember that game when Coach Noel's "All-Americans" shook all the salt out of the Saltville Shakers to the tune of 50-0. What a game!!! To finish it all we had a dance that topped all dances. Frances Halsey, an attractive Junior, was crowned our queen. After an evening of fun and dancing, we emerged happy, but so-o-o-o-o tired!

# THE MARCH of TIME

And wasn't the Junior play that Miss Armbrister and Miss Anderson directed done professionally? "A Date With Judy", that is.

We had two days for Thanksgiving vacation, but then we started a span of weeks between football and basketball season in which we all came close to dying of boredom.

Having filled our brains with about as much as they would hold for one semester and having sent our last minute letters to Santa Claus, we started on our glorious two weeks' vacation called (sigh) Christmas Holidays.

After a few days to get back in the swing of things most of us settled down to cram for — you guessed it — mid-term exams. A few brain children let out a sigh of relief when they were over, but most of us held our breath until that day of days, report card time. That is a very touchy subject, so suppose we change it.

Other than our weekly basketball games, the remainder of the year was the same daily routine.

We all, at this point, are looking far into the future, waiting for the coming events such as the Senior play, Junior and Senior picnic, Senior Prom, and Commencement.
